Serving U!

Mark 10:45 (NIV)

"For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many."

Serving U... this is not a regular mission trip. Serving U is a spring break mission project in Waco where families and individuals will have a chance to serve others in our church and others outside of the church. Scripture teaches us that Christ came not to be served, but to serve and to give His life away for others. Maybe God is calling you to step out and serve others, sacrifice yourself, your time, your energy. Serving U will be a wonderful experience for you and your family to serve and care for others.

Serving U is also a chance for your family to stay three nights at the church and have family meals with the rest of the team. There will be work and service projects in the day as well as construction projects, cookouts, and time to care for others. There will also be family fellowship time, meals together, recreation in the MAC, and group devotionals.

Maybe Serving U is a place to begin serving God. Please make plans to sign up for Serving U and be ready to serve others.
