On behalf of the children and families of Church Under the Bridge, we want to say thank you for your generosity.

Many children and families will equate this gift as genuine care and love from the body of Christ pointing them back to the giver and sustainer of life. With much love and gratitude,

The Twelve Trees Gift is one of the highlights of our year end Ministry. The gifts received will help provide resources for 3 of our ministry programs. The giving puts us in a good position to successfully complete year end programming while also providing us the resources to start the programs out strong in the the new year.

We are so grateful for the 12 Twelve Tree giving over the last 5 years.

THE TWELVE TREES OF CHRISTMAS

Family Abuse Center staff and clients are overjoyed by the support from First Woodway's 12 Trees donation. The gifts are giving clients hope for a positive life after domestic violence. Living in a shelter, particularly with children, around the holidays is not an encouraging time for survivors of domestic violence. When it comes to Christmas, having a few items clients can put on their wish list, and receive are immeasurable for adults. The hope in the eyes of clients during this season bring renewed energy to staff working with clients. Housing clients are able to feel even more secure by the donation of household goods to complete their homes. Christmas gifts are more than just items, they are a supplemental way to affirm clients in their humanity and worth.
