BRO. ROY'S BIBLE BITS

God's Timing

Scripture for Today: *"When the time had fully come, God sent His Son."* Galatians 4:4

Are you a person of patience? Have you waited and waited and waited for something and it seemed like it was never going to come? This is how the world must have felt prior to the coming of Jesus. Good plans require patience; they cannot be done hastily. When it comes to our salvation and God's will for our lives, we would like to push the Eternal red button and get action a little more quickly. It doesn't work that way! God doesn't work that way!

His will is accomplished in His timing and according to His plans - not ours! We don't know exactly why centuries of dry judgment prevailed before grace rained freely on all! We don't know why cultures remained in darkness for years and years in sin and rebellion! Perhaps it was because the human race needed to see how much they needed a Savior! We *do* know that 'when the time was right' God sent His Son! His plans are in our best interests! We *can* trust His timing!

Are you at the crossroads of an important decision this Christmas season? Have you prayed to God to "show me some kind of light?" If you have, be patient, God will show you - in His time - what you need to do. Just ask - and wait - and be patient: He will send you an answer just like He did for the whole world!

Quote for the Day: *"God will always reveal His plans in time for you to do them!"* --Henry Blackaby

Bit Tip for the Day: Prayer and His Word are remarkable ways to discover His will! If you haven't been there lately - try both - God will reveal His will to you! He promises to do so.
