DISCUSSION QUESTIONS

1. Why do you think Jason and Michelle got into a fight at the beginning of the episode?
2. What did their Grandma tell them about harsh words? (Hint: look up Proverbs 15:1)
3. What does the word harsh mean?
4. Have you ever said harsh words to someone you love? Why do you think God would want us to use kind words instead?
5. When someone says something mean or annoying to you, how do you respond? Do you treat them the same way or are you kind?
6. Why is it sometimes hard to be nice when someone is being rude?
7. Wild Bill was very quick to blame others. How can being quick to forgive help us be kind to others?
8. Michelle suggested that they avoid Wild Bill since he “talked so mean.” Why didn’t that work? Why should we choose to spend time with people even when they don’t always act how we want?
9. Captain Zidgel chose to speak harshly back to Wild Bill. Why was that the wrong choice? What should he have done instead?
10. Michelle helped Captain Zidgel and Wild Bill understand each other’s perspective. How can listening to the needs and wants of the person you’re arguing with help you be kind to them?

CALL TO ACTION

It can be really easy to say mean things to your family when you are around them all day and you start to annoy each other. This week, write Proverbs 15:1 on several pieces of paper. Hang them up around your house. When you start to get into an argument, stop and find one of the pieces of paper and say the verse out loud to remind yourself of God’s Word. Practice using kind words instead of harsh ones and see how much more peaceful everyone is by the end of the week!
