DISCUSSION QUESTIONS

1. This episode is all about burglaries. Why do you think the Bible tells us it's wrong to steal?
2. Everyone who knew Mr. Whitaker deserted him when he was arrested (except Dylan). How does it feel when the people you love and trust don't stick up for you?
3. Dylan's Dad described Mr. Whitaker as a friend who stuck by him no matter what. Are you the kind of person who stands up for other people even when it's hard?
4. What do you think it means to be a faithful friend? How is Jesus a faithful friend to us?
5. Dylan was really convinced that Phineas was a good guy and that he was trying to help him. That is why Dylan followed him to his house. Why is it dangerous to quickly trust strangers? What should Dylan have done instead?
6. Why was Mr. Whitaker so calm when he gave his final statement in the courtroom? How can living a life of faithfulness and having good character help us to be confident when people question us and our actions?

CALL TO ACTION

We know that Jesus was tried and crucified for our sins even though He was innocent. He had lots of friends, but very few stuck by Him when He was arrested and killed. During this Holy Week as you reflect on Jesus' burial and resurrection, go through the Easter story in each of the Gospels (or at least Luke 22-24) and find all the people who were faithful (and unfaithful) friends to Jesus. Think about, and thank Jesus for, His faithfulness to you.
