Questions to ask your kids:

1 ASK

- What was today's lesson about? [Water]
- Why do we need water? [our joints, makes us smarter, build muscle...]
- Who is the Living Water? [Jesus]
- What does the Living Water do? [quenches our spiritual thirst & gives us life]

2 GAME

Take your kids outside and let them play in water -- put water in a bucket or bowl with toys, spray your kids down with the hose, just get them wet! FUN! While they are playing in water, review the Bible Verse from the show and have them repeat it several times. "But whoever drinks of the water that I will give him will never be thirsty again..." John 4:14a

3 QUICK CRAFT

Have kids draw their favorite activity that requires water, or if you have water color paints, let them paint a picture.
