Hi, Parents!

A lot of kids (and grown-ups) think of the Bible as a collection of individual stories, but it is more than that. The Bible is actually one big story about God's love and redemption of people. And even though the writing of the Bible is finished, God's story continues in the lives of His believers. This week, we are going to learn the BIG Bible story from beginning to end.

### **Snapshot of Lesson**

Bible Story: God's Story in Our Lives

Big Idea: God's story of love and redemption continues today in the lives of His children.

Memory Verse: "Yet to all who did receive him, to those who believed in His name, He gave the right to become children of God." John 1:12

As always, a [Sermon Notes Page](#) and Worship Pages ([Age 7+](#) and [Age 3+](#)) are also attached. These will help to engage your child in our online Worship Service.

We have exciting news! We will be opening for in-person Worship on May 31!! We are so excited to join together again. For the time being, we will only have one service and we will NOT have Children's Sunday School, Children's Worship, or a Nursery. In addition, seating will be limited, so we are asking our people to reserve their spot. The RSVP link will be coming in an email from the church in the next few days.

I am praying that God continues to give you strength in this challenging time. To that end, I leave you with the Apostle Paul's blessing from Ephesians 3:16: "I pray that, according to the riches of His glory, He may grant you to be strengthened with power through His Spirit in your inner being."

In Him,
