DISCUSSION QUESTIONS

1. Dave's brothers were not very nice to him. Why do you think we should treat others kindly, even if they are smaller or younger?
2. Why were the soldier vegetables so afraid of Goliath? What things make you afraid?
3. Why do you think Dave was so mad when Goliath started making fun of the Israelites (and God!)? How can you stand up for God when other people might make fun of what you believe?
4. Why didn't King Saul think Dave could beat Goliath? How does it make you feel when people underestimate you or make you feel small and unimportant?
5. Have you ever had a problem or a fear that seemed too big to be fixed? So did Dave! But God was stronger than Goliath and stronger than Dave's fears. How can knowing that God is greater than your problems give you courage to face your fears?
6. What is something that you have done in the past that would have been impossible if God hadn't helped you through?
7. Larry thought he had to be strong and cool to be special, but Bob reminded him that God made him special just the way he is. Open your Bible and read 2 Corinthians 12:9-10. Why can we be happy in our weakness?

CALL TO ACTION

The story of David and Goliath teaches us that God is bigger than our fears and problems. It also teaches us that God can use us to accomplish His plans, no matter how old or strong we are. How cool!

This week read 1 Samuel 17 (the story of David and Goliath). With your family, talk about the ways God has helped you overcome some tough challenges or fears in the past. Think about one way that you can do something big for someone in need this week. Spend time thanking God for how He gives you strength to do hard things. Remember, "With God's help little guys can do big things too!"
