

Sunday, June 28

Parents,

This has been a time of trouble for many people, but how many can say that it has also been a time of joy? Believe it or not, that is what the Bible says it should be. During this week's Family Sunday School lesson, we will discover why the Book of James tells us we should be joyful in the middle of our troubles.

When you are ready to begin, start by watching the short lesson video with your kids. It is a great way to engage spiritually with your family. After the lesson video, be sure to watch the worship videos.

LESSON SNAPSHOT

Bible Story: Joy and Wisdom in Times of Trouble (James 1:2-5)

Big Idea: God calls us to seek Him for wisdom in times of trouble.

Memory Verse: "If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you." James 1:5

This lesson on joy and wisdom in times of trouble is a hard one to master. As simple as the concept is, it can be very challenging to find joy in times of trouble. However, it is a lesson we can all benefit from learning and one that I will be praying for you and for me.

In Him,
