

KINGDOM KIDS @ FIRST WOODWAY

# FAMILY ACTIVITIES

TREAT EVERYONE THE SAME

USE THESE ACTIVITIES TO TAKE YOUR FAMILY DEEPER INTO  
TODAY'S SUNDAY SCHOOL @ HOME LESSON

JULY 12, 2020

## ACTIVITY 1: BALLOON BONANZA

Supplies: Balloon (1)

Today's Bible verse: "My brothers and sisters, believers in our glorious Lord Jesus Christ, must not show favoritism." James 2:1

Directions: Practice the verse together until everyone can remember it. When ready, blow the balloon full of air. When finished, pinch it closed, but don't tie it off. Explain that when you release the balloon, everyone will have to quickly recite the verse before the balloon hits the ground. Let the balloon go. As it flutters around, everyone will race to complete the verse.

## ACTIVITY 2: ROLL WITH IT

Supplies: Dice (2)

Say: The Book of James says that we should treat everyone the same, but sometimes that can be kind of hard. We're going to play a game right now that will help us think of ways we can treat people the same, even if they are different from us. ("Different from us" can take many forms... different skin color, different size, different smell, speaks different language, uses a wheelchair/doesn't use a wheelchair, different opportunities, different "social" status, different amount of money in the family. The list goes on and on.)

Directions: Have everyone take turns rolling 2 dice. Read the sentence segments below that correspond with each dice. For example, a roll of 1 and 6 will result in the following sentence: "A person who barely speaks English...sits next to you on the bus." With every roll, a different sentence will be constructed. After each sentence is constructed, talk about what you could do in that situation to treat that person with respect and love.

Dice #1:

1. A person who barely speaks English...
2. A person who communicates using sign language...
3. A person who is always getting in trouble...
4. A person who has no friends...
5. A person who smells different...
6. A person whose skin color is different from yours...

Dice #2:

- 1...is coming to your birthday party.
- 2...moves next door to you.
- 3...is new to your class.
- 4...joins your soccer team.
- 5...sits at your lunch table.
- 6...sits next to you on the bus.
