Hi, Parents!

Question: What do a spark and your tongue have in common? Answer: They are both small, but they have the power to cause incredible damage. During this week's Family Sunday School @ Home lesson, we will once again be gaining wisdom from the book of James. Specifically, we will be talking about the importance of "taming the tongue."

When you are ready to begin, start by watching the short lesson video with your kids. It is a great way to engage spiritually with your family. After the video lesson, take a few minutes to watch the Worship videos.

Lesson Snapshot:

Bible Story: Taming the Tongue (James 3:1-11)

Big Idea: God calls us to be careful with our words.

Memory Verse: "The tongue is a small part of the body, but it makes great boasts.

Consider what a great forest is set on fire by a small spark." James 3:5

As dangerous as words can be, they can also be the source of such incredible life. It is my hope and prayer that you are able to speak life-giving words into your family and community this coming week.
