

### BEFORE YOU ARRIVE

- Please take your temperature and the temperature of everyone in your family. If anyone has a temperature of 100.4 or greater or other possible symptom of COVID-19 (cough, shortness of breath, chills, etc.), please stay home and connect via the online worship service.
- Please use the restroom before attending. (The restrooms will be available, if needed, and will be frequently cleaned.)
- Please wash your hands before attending.

### ONCE YOU ARRIVE

- Please wear a mask at all times in public areas.
- The only doors that will be open are the main foyer doors that lead directly into the Commons and Worship Center (see map on second page). The outside doors will be propped open and a greeter will open the inside door, so you do not have to touch a handle.
- Please maintain a six-foot distance between people.
- Ushers will escort people to their seats, will regulate the flow of people into the Worship Center at a safe distance, and provide guidance to you/your family. These measures are to help keep everyone safe.
- Concerning seating, members of the same household can sit together. Everyone else should maintain the social distancing guidelines of six feet (two chairs) between people when seated.
- Only “complete” family units will be seated – if your entire family is not with you, we will ask you to stay in the foyer until everyone has arrived.
- Two chairs will be left empty between each family unit.
- Please wave to greet people and do not hug, shake hands, or fist bump.

### DURING THE SERVICE:

- We will not have an offering during the service.
- Offering boxes will be available at each door. Online giving will also be available.
- We are providing an Order of Worship via the church app under the Sunday Morning tab. If you haven't yet downloaded the app, just text APP to 254-845-7835.
- At the end of the service, an usher will dismiss people by row, and you will be directed to an exit.

### AFTER THE SERVICE:

- Please remember to wear a mask at all times in public areas.
- Please continue to maintain the required six feet separation as you interact with people.
- While we know how good it will be to see people, please do not linger in the foyer for too long.
- Praise God for the opportunity to gather with others and worship Him!
