

Sunday, December 6

Good Morning, Parents,

Welcome to a new quarter in Sunday School. We are excited to unpack truths from the Bible with your children this quarter! Attached, you will find the Scope and Sequence for the Winter. This lets you know what your children will be learning each Sunday through February.

Sunday's Lesson Information is attached to this email, as well as a Sermon Notes Page and other items that go along with what our adult Life Groups will be studying.

For those of you who will continue to worship with us at home, please read the application verse and text with your children. Following that, feel free to use the attached materials to reinforce the lesson.

If you will be joining us in person this week, you can use the attached lesson material to either pre-teach or for follow up!

In other news... "Dough Holy Night!"

There is so much joy surrounding this season, but there can also be a lot of chaos! There are decorations to put up, parties to throw, and presents to purchase. It is so easy to let the entire month of December fly past us and totally forget why we celebrate Christmas. That is why we are providing you with "Dough Holy Night" this year. This is a fun and interactive experience designed for your family to do at home. Together, you will bake a batch of Christmas cookies as you hear the story of the very first Christmas. Best of all, there is a video that walks you step-by-step through the entire experience. It is so simple. To participate, [you can find all materials on our website](#) or on our VBS Facebook Page.

For those who will be joining us on Sunday, we cannot wait to see you and your children.

As always, I am here if you need anything.
