Good Morning, Parents.

This week has been exciting, hasn't it? Both Shana and I were without power from 2:00 am on Monday morning until yesterday. It gave both of us a greater appreciation for electricity!

As I was reading in 2 Corinthians yesterday, I came to 12:9, "My grace is sufficient for you, for my power is made perfect in weakness." What a great reminder that God is always with us and that HIS power is perfect - He will never leave us...of that we can be certain!!

This week's Sunday School lesson is what we were supposed to do last week, so the attachments in this email are mostly repeated from last week. The coloring page is new and I updated the Lesson Information page to reflect where we are.

For those of you who will continue to worship with us at home, please read the application verse and text with your children. Following that, feel free to use the attached materials to reinforce the lesson.

If you will be joining us in person this week, you can use the attached lesson material to either pre-teach or for follow up!

As always, I am here if you need anything.

Blessings!
