

## **SUNDAY SCHOOL MATERIALS DURING SOCIAL DISTANCING**

March 14, 2021

Good Evening, Parents.

I pray you have had a wonderful week.

This Sunday, our preschoolers are learning how they can encourage one another. In looking through resources, I came across the attached “Encouraging Notes.” I wanted to include them in this email and encourage you to use them. How awesome for your kids to open his/her lunch box and see something encouraging that you have written. Or to wake up and the first thing he/she sees is a note from you on the nightstand. I suggest you print multiple copies and leave them out – with colorful pencils – and let everyone in the family practice being encouragers!! I dare say that if you do this, you will see a change in your children’s hearts.

Attached, you will find material that goes along with this week’s Sunday School lesson as well as with the Sermon that Dr. Sands will bring. I hope you find them helpful.

For those of you who will continue to worship with us at home, please read the application verse and text with your children. Following that, feel free to use the attached materials to reinforce the lesson.

If you will be joining us in person this week, you can use the attached lesson material to either pre-teach or for follow up!

A reminder to those who have not returned yet. No reservations are required. Just come! We look forward to seeing you and your kids when you feel comfortable returning!!
