What are some spiritual growth activities that you have been a part of this past year?

Share a verse or passage from the Bible that you have read recently that really spoke to you. Tell why:

Previous missions experience (domestic, international, or local):

Why do you want to participate in this mission to England?

COMMITMENT

I have prayed and believe that God wants me to be a part of this mission trip. I commit to participate in all training sessions in preparation for this trip. I also commit to pray regularly for this mission effort.

{Eligibility: sophomore or older by summer 2023}

June 9-20, 2023

We are officially beginning preparation for our next summer mission trip to the United Kingdom. The dates are set for June 9-20. Our destination will be England—working with a church in Redcar which is right on the cusp of the North Sea. We will continue in our ongoing relationship with the Redcar Baptist Church that we have had since 2008. Our days will be filled with working in area schools, leading youth & children's clubs, sharing Christ in the communities, even doing some work projects in some of the estates. This will be an awesome opportunity to share the light of Christ in this spiritually dark country.

The itinerary will look somewhat like this: We'll fly out of Dallas overnight to London, leaving on Friday, June 9. Then we'll take a train ride through the heart of the mother country to parts north of London. We will be staying with host families from that first Sunday to the following Sunday. Spending a full week in these communities will afford us the opportunity to truly have a significant impact for Christ in this area.

At the end of the week, we'll hop on another train and make our way back to London. We'll have a full day in that amazing city and see all that we can possibly cram into our short time there. Then we'll fly out of London back to Dallas – arriving at First Woodway on Tuesday evening, June 20.

What does something like this cost?

Good question. Details on that are still being finalized but we estimate the cost for the trip will be around \$2500. In that cost, your plane ticket, lodging, train tickets and most meals will be covered. There will also be an individual expense incurred prior to the trip for those without passports. Of course, there will be personal spending money during the trip to consider.

To meet the huge financial demands of a trip like this will require an aggressive fund-raising campaign. Not too many of you can whip out the checkbook and write out a check of this amount. Our students who have participated in similar mission trips have had great success in raising support through fund-raising letters sent to family members and friends. Sample fund-raising letters will be made available. We will also have our annual golf tournament at Cottonwood Creek Golf Club (date is already set for Friday, May 26, 2023) to assist with fund-raising.

Pray with your family about this opportunity. Then if you think this might be God's will, fill out a mission trip application and turn it in with a \$100 deposit. *Eligibility for this trip is for those students who will have completed the tenth grade by the summer of 2023.*
