

June 6-17, 2025

We have an amazing trip planned this summer to partner with Redcar Baptist Church in Redcar England. The dates are set for June 6-17. We have partnered with Redcar for the last 16 years and God continues to move and work in this area. This team will be helping in every area of ministry of Redcar Baptist, leading out with outreach events, youth ministry, kids clubs, work projects and helping the church continue to build relationships with their community. This is an incredible opportunity to grow in your faith and encourage the local church in Redcar.

Our team will fly out of DFW on June 6th to London Heathrow and then travel by train to Redcar. Our team will be hosted by families of Redcar Baptist in their homes. We will have 8 days of ministry followed by 2 nights in London before heading back home.

This team will be chosen after December 1st once applications and deposits have been received. While we would love to take all who apply, our team size is limited by what Redcar Baptist can accommodate. We will mainly be looking at involvement in FWYM and the quality/depth of answers on the application. All participants will be required to attend England team trainings in the spring semester.
