

SONDAYS CAMP 2025

Frequently Asked Questions

QUESTION

My student missed the camp rally and we have not been able to pick up the first t-shirt for camp. Can I still get one?

ANSWER

Absolutely! Here are 2 options for picking it up:

- Come to FW Church Office during office hours (M-Th 8:00am to 4:30pm; Fri 8:00am to 3:00pm) through Wednesday, July 3rd.
- After July 3rd, pick it up when you get to camp. You can ask your sponsor or find anyone on youth staff at Patton Chapel and tell them you did not receive one and they will get it for you.

QUESTION

I still need to pay the final balance. Where can I do that?

ANSWER

You can pay that [online](#), or with cash or check made out to FWBC. The deadline to pay is June 18th.

QUESTION

I am unable to get the links for CampWise registration (Step 2) to work. What do I do?

ANSWER

Go to the youth website and find the Troubleshooting section with links to try. If that does not solve the problem, email Terri Jones at tjones@firstwoodway.org. The deadline to complete online registration is June 18th.

QUESTION

My camper will have daily medications that must be taken every day at camp. What do I need to do?

ANSWER

The clinic will be looking for medications listed on the online registration you completed through CampWise. For the safety of all campers, all prescription medications must be turned in. Please make sure they are in the original bottle or packaging from the pharmacy. At check-in at FW at 2:00 on Sunday, there will be a Medication Table for you to turn these medications in. A simple form will be available at the table. You can also [print one here](#).

QUESTION

My camper gets frequent headaches, can I send Tylenol in his suitcase?

ANSWER

Please **do not** send over the counter medications with your camper! The on-site clinic has OTC meds. For the safety of all campers, please tell your child to ask a sponsor to take them to the clinic for anything over the counter or any other medical needs.

Frequently Asked Questions

QUESTION

I have already paid the final balance, do I still need to check-in on Sunday, July 6 at the MAC (Gym) at First Woodway?

ANSWER

YES! Thank you for paying the balance ahead of time. We do need you to check-in with us at 2:00pm so we know we have all your information confirmed and that we have you in the correct cabin. Also, that is the easiest way to find out which cabin you are in and get the map and other information about dropping off at Mt. Lebanon.

QUESTION

We will already be in the metroplex on Sunday, July 6. Is it ok for me to go straight to camp and skip check-in? Gas is expensive!

ANSWER

That is fine, but we need to know you are doing that. Please email tjones@firstwoodway.org and let her know that you will be going straight to camp. Otherwise, we will be looking for you in Waco and wonder where you are.

ALSO VERY IMPORTANT If you have let Terri know you are not going to be at check-in, **do not, under any circumstances, arrive to camp prior to 3:00pm** on July 6 no matter what. Camp is not ready receive anyone prior to that time.

QUESTION

What time and where do I pick up my child on Friday?

ANSWER

Pick up time will be 12:00pm (noon) at First Woodway Baptist Church. We have 10 charter buses lined up to bring students back to Waco.

QUESTION

I need to pick up my camper prior to Friday, July 11, what do I need to do?

ANSWER

[Click here to complete the online release form](#)

This will help us to keep count of who is riding the bus home. You will also need to let your child's cabin sponsor know of this early release when you drop them off. Mt. Lebanon is a closed campus Monday-Thursday. This is for the safety of everyone at camp! There is a process to follow in order to ensure the safety of your child. Your cabin sponsor can help you coordinate early pick up. Or contact Terri Jones.
